

Important update on EMC 2021.

Kristiansand 17-03-2021

We in the central board of Holy Riders MC, have made the decision that we must cancel EMC 2021.

Until now (mid-March 2021), we have been working to arrange the EMC rally 2021.

In 2021, the EMC rally was supposed to merged with the Pilgrim's rally and the Holy Riders' 40th anniversary, but we don't see that the EMC rally can be done.

We will carry out the Pilgrim's rally and our 40th anniversary, if the Norwegian authorities allow this, on the same date as the EMC rally.

The reason why we cancel EMC is that it most likely can't be possible for foreigners to come to Norway due to covid 19, in June.

If the Norwegian authorities allow motorcyclists from other countries to travel to Norway on the weekend of 24-27 June, they are of course welcome to take part in the Pilgrim's rally and our 40th anniversary.

We will welcome any foreign MC friends who come to the Pilgrim's rally, and the information about EMC that is available on the Holy Riders website applies, considering the date, place, prices of food and accommodation options.

We're sorry that we had to make this decision, but it was the right thing to do.

There will probably be new opportunities for European motorcyclists to gather again for the EMC rally in 2022, in Belgium.

Let's pray for new opportunities to come together again on an EMC-rally.

Be blessed.
